

Food for Thought Concerning "Family"

God says His Angels escort his faithful in death to Heaven.

As such, 2024 years ago a request went forth throughout creation from God:

Wanted...Angels and shepherds to assemble in Bethlehem.

They seem to be the background for the Holy Family at the birth of Jesus, to announce His arrival and bear witness to He who would save his people.

But are they just that, or do they perhaps show a more in-depth mystery to the innumerable Angelic hosts escorting those who shall bear witness to our savior and, as such, to the Holy Family yet to come?

Those who shall ultimately unite with Our Father's Holy Family in Heaven. With all the Angels and saints in the presence of God; as Father, Son, and Holy Spirit, truly a Holy Family reunion now in the making.

Are you bearing witness with them by your life and your family life now; or are you just passing through on your way to another party, activity, or place? If so, whose angels await your coming, to announce your coming and escort you to _____???

Yours in Christ,
